Type: ROUTINE INSPECTION
Date: 12-JUL-2023

2.75(b)(1)

Records: Dealers and exhibitors.

At the time of inspection, the facility representative did not have access to the acquisition and disposition records for me to review. Appropriate documentation of acquired regulated animals, and complete and accurate records of disposition are essential for proper identification and necessary to track animals used in regulated activities to ensure their humane care, use, and disposition. Every dealer shall make, keep, and maintain records of acquisition and disposition for all regulated animals, including animals born on the premises, and assure that all records are kept as required. To be corrected by July 26, 2023.

This inspection and exit interview were conducted with a facility representative.
