Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at approximately 1138 on 07 July 23.

Upon arrival at the facility I rang the Ring doorbell and the home owner spoke with me through the Ring. He stated that Mr. Mooney has not lived at this address since May 2023 and that he did not know his whereabouts. Upon returning to the vehicle I called the contact number provided and received an automatic reply message saying that the call could not be completed as dialed. I then left the facility.
