LOW COUNTRY EXOTICS

Type: ROUTINE INSPECTION

Date: 17-OCT-2023

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

At the time of inspection, the required program of veterinary care and contingency plan were not available for review and examination by the APHIS official.

The licensee was not able to access the records, as the facility is preparing to relocate. During this process, no regulated animals have been acquired or dispositioned.

Review of paperwork at a facility ensures they are operating as intended to ensure the welfare of the animals used and housed by the facility. The facility shall ensure that records required by the Animal Welfare Act (AWA) and the regulations are available for APHIS officials to review on all inspections.

Correct by December 1, 2023.

This inspection and exit interview were conducted with the licensee.
