Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:05 a.m. to 10:35 a.m. on September 26, 2024. The inspector attempted to contact the licensee by calling the phone number on the account, knocking on the door and honking the car horn. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
