RECORDS: DEALERS AND EXHIBITORS.

The records of acquisition are missing for some adult dogs that were added to the inventory. The licensee must document the name, address and USDA license number of all acquired dogs. If the person is not USDA licensed then the vehicle license number and state, and drivers licenses number and state must be documented on the required Aphis Form. The license must update the records and include this information for Aphis Official's to review.

3.1(a)

HOUSING FACILITIES, GENERAL.

The base of 5 support beams that hold up the west side of the kennel need repaired. The beams are wrapped in metal siding that is protruding and sharp. These support beams are in the turn out area where the dogs could make contact and get injured. Housing facilities for dogs must be kept in good repair to protect the animals from injury. The licensee must replace or repair the base areas of these 5 support beams on the west side of the kennel.
