Type: ROUTINE INSPECTION
Date: 30-MAY-2025

2.75(b)(1)(i)

Records: Dealers and exhibitors.

The licensee has acquired 4 ducks, 6 chickens and 5 rabbits but, the acquisition records were unavailable for review. Records of acquisition shall include the numbers and species of animals, as well as the name and address of the person from whom the animals were acquired.

Exhibitors shall make, keep and maintain records or forms which fully and correctly disclose:

The name and address of the person from whom the animals were purchased or otherwise acquired;

Facility must make and keep records for the ducks, chickens and rabbits that have been acquired.

TO BE CORRECTED BY: JUNE 18, 2025

3.56(a)(1)

Repeat

Sanitation.

One large rabbit enclosure, housing two rabbits, has been cleaned but it again has a large amount of feces on the floor. This enclosure must again be cleaned to remove said fecal accumulation. Rabbit enclosures must be cleaned on a more frequent basis to prevent such accumulations of fecal matter.

Primary enclosures shall be kept reasonably free of excreta, hair, cobwebs and other debris by periodic cleaning.

3.154

Repeat

Environment enhancement to promote psychological well-being.

The documented program of environmental enhancement for birds still has not been completed. The birds are provided with environmental enhancements but the plan has yet to be documented and approved by the attending veterinarian. The bird environmental enhancement must be documented and provided to the attending veterinarian for review and approval.

Dealers, exhibitors, and research facilities must develop, document, and follow a species-appropriate plan for
