Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:20 to 2pm on 8/27/2024.

The inspector knocked on doors and waited for a response, then called two phone numbers before reaching the licensee. The licensee reported that they were unavailable for the remainder of the day. The inspector then left the site.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
