INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC reviewed the research facility's program for humane care and use of animals on 5 June 2014. The next review of the facility's program for humane care and use of animals occurred on 27 April 2015. The IACUC is responsible for ensuring that the research facility's program uses and cares for animals in a humane manner according to the Animal Welfare Act. An IACUC that does not meet to review the program at least once every six months does not fulfill these responsibilities. The IACUC must review the research facility's program for humane care and use of animals at least once every six months. To be corrected with the next program view of the facility.
