Type: ATTEMPTED INSPECTION
Date: 22-SEP-2016

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 09:30am on 22-Sep-16. During that time, the inspector knocked on the door of the house on the property. The inspector also called the contact number and left a voicemail for the licensee.

Lack of availability for inspection prevents any oversight by APHIS Officials in enforcement of the Animal Welfare Act. Correct by establishing optimal hours for inspection with the home inspector, and ensuring that a responsible adult is available during those times for inspection. Correct from this time forward.

The inspector re-typed the inspection report into the new information management system when it was deployed, the "prepared by" date on this inspection report is different than the date the inspector prepared the original inspection report, which occurred on 08/18/2016.
