Type: ATTEMPTED INSPECTION

Date: 18-AUG-2025

2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30 PM on 18 August 2025. The inspector attempted to contact the licensee by calling the main number and the contact number for the acting Critter Keeper and left messages. Received a call back quickly and the facility representative is not available today and discussed optimal hours. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations.
