

Inspection Report

Alpha Encounters LLC
40678 State Route 20
Oak Harbor, WA 98221

Customer ID: **6013499**
Certificate: **91-C-0158**
Site: 001
William David Coleburn

Type: ROUTINE INSPECTION
Date: 24-JAN-2023

2.50(c)

Time and method of identification.

The two wolf/dog hybrids on exhibit do not have any means of identification such as a USDA tag, tattoo, or microchip. All dogs must be appropriately identified to allow medical and regulatory tracking of the animals. The wolf/dog hybrids must be identified by either an official tag, tattoo or microchip.

Correct by: January 27, 2023

2.75(b)(1)

Records: Dealers and exhibitors.

The facility records do not include information on a sloth and kinkajou that were recently acquired. Acquisition and disposition records are necessary to accurately track and identify animals used for regulated purposes, and to help assess the animal care program. The licensee must ensure all required records are kept and maintained.

Correct by: January 27, 2023

This inspection and exit interview were conducted with the licensee.
