Recordkeeping requirements.

Required information on the acquisition and disposition records of dogs and cats is incomplete. The address, vehicle license number and driver's license number are missing on the dog and cat acquisition records. Failure to fully disclose information of the recordkeeping requirements may hinder animal traceback activities required during disease outbreak investigation or to ensure compliance with the Animal Welfare Act regulations.

Per this Section, every research facility shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning each live dog or cat purchased or otherwise acquired, owned, held, or otherwise in their possession or under their control: the name and address of the person from whom the dog or cat was purchased or otherwise acquired; the vehicle license number and State, and the driver's license number and State of the person, if he or she is not licensed or registered under the Act; the date of acquisition; the official USDA identification number assigned; and a description of each dog or cat.

Correct by 15 September 2024.

This inspection and exit interview were conducted with the facility representative.
