Acquisition and disposition records are required so that animals being used in regulated activities can be accurately tracked to ensure their legal acquisition, proper care, and humane transportation. Animals transferred to or acquired from other licensees must have disposition and acquisition records containing all information required by the Animal Welfare Act Regulations available for inspection. This requirement applies to all regulated animals purchased or otherwise acquired, owned, held, leased or otherwise in possession of or under control of the licensee, and all regulated animals transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

This inspection and exit interview were conducted with Licensee.
