2.75(b)(1)

Records: Dealers and exhibitors.

Acquisition records for a guinea pig acquired in May 2020 are incomplete. The records indicate the species of the animal and the date of acquisition but do not contain the required information regarding the person from whom the animal was acquired.

Records for animals purchased or otherwise acquired must fully and correctly disclose all of the information required by this section, including the name and address of the person from whom the animals were acquired and the USDA license or registration number of the person or, if he or she is not licensed or registered under the Act, the vehicle license number and State and the driver's license number (or photographic identification card for non-drivers issued by a State) and State of the person.

To be corrected by 5/29/2021.

This inspection and exit interview were conducted with the licensee.
