A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:42 AM on April 27, 2023.

Inspectors knocked on the door, called the phone number on file, left a voicemail message, and waited 30 minutes before departing. A facility employee spoke with inspectors and verified that the licensee was away from the facility and would be unavailable for inspection that day. They also confirmed that they were not authorized to facilitate inspections in the licensee's absence.
