REGISTRATION.

***On February 6, 2014 from 1:00pm - 1:30pm I arrived to conduct a routine inspection of Novascreen. There were no cars in the parking lot and the entrance door was locked. No one responded to my knock on the door. I called both contact persons in my file and was redirected to a company named PerkinElmer, Inc. I left a voice message on the PerkinElmer voice messaging system. Additionally, I e-mailed the two contact person. Both e-mails were returned as "undeliverable".

A research facility shall notify the AC Regional Director by certified mail of any change in the name, address, or ownership, or other change in operations affecting its status as a research facility, within 10 days after making such change. Novascreen, as a research entity, must notify the AC Regional Director, by certified mail, of its change in name, address, ownership and operation to ensure compliance with the Animal Welfare Act regulations and standards. The research facility could not be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.
