TIPPECANOE, IN 46570

Customer ID: **500467**
Certificate: **32-A-0587**
Site: 001
NEAL K RAMER

Type: RE-LICENSE INSPECTION
Date: 09-NOV-2021

2.40(b)(2)

Repeat

Attending veterinarian and adequate veterinary care (dealers and exhibitors).

A 7 month old intact female apricot poodle, Mila/microchip number ending in 5187, had an abrasion (circular, approximately 0.5 cm in size) on the tip of her tail that was bleeding.

-Also there was expired penicillin G procaine injectable suspension (expired 10/2021) on hand.

Each dealer shall establish and maintain programs of adequate veterinary care that include the use of appropriate methods to prevent, control, diagnose, and treat injuries as well as prevent and control diseases.

The attending veterinarian must be notified of veterinary care concerns so that a proper diagnosis and treatment plan can be established.

-Medications must be administered within date to provide the appropriate response and to protect the animals from contagious disease. The facility must ensure expired products are not used.

3.11(a)

Cleaning, sanitization, housekeeping, and pest control.

The slatted floor in the indoor portion of the sheltered housing and the area underneath the raised primary enclosures have excessive accumulation of dirt, gravel, cobwebs, and spiders.

Inspection Report

The ground areas under raised runs with slatted floors must be cleaned as often as necessary to prevent accumulation of feces and food waste and to reduce disease hazards and insects.

Clean areas as often as necessary to prevent excessive accumulation of dirt, gravel, cobwebs, and spiders that can serve as a reservoir for disease.

This is a 2nd Relicense Inspection for a Class "A" license. The inspection and exit briefing were conducted with the Applicant.

All items must be in compliance within 1 more inspection or by 12/20/2021 or the applicant will forfeit the license fee and must wait 6 months to reapply.

Please contact your inspector to schedule your next Relicense Inspection.

Regulated activity can continue under your existing USDA license until it expires.
