### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:00am on 7/30/2025. The inspector attempted to contact the licensee by honking the vehicle horn, knocking on house door, calling the phone number and leaving a message. An attempt to inspect was also made on July 29 at approximately 10:00 am. There was no response to phone calls. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
