THE GORILLA FOUNDATION

Type: FOCUSED INSPECTION

Date: 03-AUG-2017

---

This was a focused inspection on veterinary care. No non-compliant items were identified during this inspection.

The animals are receiving appropriate veterinary care, as of the time of inspection, and the facility is working with the attending veterinarian on a written plan, currently in draft, which will serve as an agreement regarding daily assessment of Koko, and when a medical intervention may be required.

An exit interview occurred with keepers at the facility following the inspection on 8/3/17, and again on 8/8/17 by phone with the Associate Director of Research and Care, following a phone consultation with the attending veterinarian on 8/7/17.
