#### RECORDS: DEALERS AND EXHIBITORS.

Records need to be documented, maintained and kept current at all times. During this inspection it was noted that the new record system that this facility has implemented did not contain all of the required information. The name, address, USDA #, or Drivers license # & Vehicle Plate #'s, and dates of animal transactions need to be documented. At this time the acquisition, disposition and birth dates were not in the records. Also the animals that were born on the premise were not documented as such. All records need to be kept current and accurate.
