#### Environment enhancement to promote psychological well-being.

The facility does not have a written environment enhancement plan for birds (emus) at the time of inspection. Dealers, exhibitors, and research facilities must develop, document, and follow a species-appropriate plan for environment enhancement adequate to promote the physical and psychological well-being of birds. The plan, at a minimum, must address each of the following: social grouping, environmental enrichment, and special considerations. The plan must be approved by the attending veterinarian and must be in accordance with the regulations in this subpart and with currently accepted professional standards as cited in appropriate professional journals or reference guides. This plan must be made available to APHIS upon request.

To be corrected by: 26-August-2024

This inspection was conducted at the Bremer County Fair in Waverly, Iowa.

This inspection and exit interview were conducted with facility representatives.
