REQUIREMENTS AND APPLICATION.

This facility was previously licensed under 21-B-0187.

However, the license was not renewed and has since been canceled.

I conducted a search to see if any regulated activity was being conducted. At the time of the inspection 1 sugar glider was on the premise. Promotional material, to buy other sugar gliders, was also on display.

Therefore, a USDA B Dealer license will need to be obtained.

An exit briefing was conducted with a store employee.

NO REGULATED ACTIVITY CAN TAKE PLACE UNTIL A USDA LICENSE IS OBTAINED.
