#### Environment enhancement to promote psychological well-being.

The facility does not have an environmental enhancement plan for birds. An environmental enhancement plan must be developed, documented, and approved by the attending veterinarian so as to promote the health and psychological well-being of birds.

Correct by ensuring that a complete, documented plan for environmental enhancement, that addresses the required elements and is approved by the attending veterinarian, is maintained and available for inspection. Correct by March 31, 2024.

This inspection and exit interview were conducted with a facility representative.
