NOTIFICATION OF CHANGE OF OPERATION.

At the time of the 7/12/2017 inspection, the registrant communicated that she had moved to Nevada, and that she was quitting the business. She was instructed how to cancel her registration and turn in her registration certificate.

There had been no notice to the AC Regional Director within 10 days of the move. There still has been no notification of the move or intent to cancel by 7/26/2017, and according to the business Facebook page, the business is still engaged in covered activity.

Correct by notifying the Regional Office of the change of address by close of business on Friday 7/28/2017.

A notice of the findings was sent to the registrant via email, as she is currently on the road.
