2.31(c)(6)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC is required to review and approve proposed activities related to the care and use of animals prior to the use of those animals. This facility has been using guinea pigs in studies without a protocol or written approval from the IACUC. This facility needs to review the responsibilities of the IACUC and follow the requirements in title 9, chapter 1, subchapter A of the Animal Welfare Act.

To be corrected immediately.

2.31(c)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

This facility has not had a review of the program for humane care and use of animals within the past six months. This facility has not performed a facility inspection within the past six months. The IACUC as an agent of the research facility shall review the facility's program for humane care and use of animals and inspect all of the animal facilities at least once every six months. This facility needs to have an IACUC meeting and facility review as soon as possible.
