2.40(b)(2)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

A female French Bulldog ID #30 has a quarter sized raised area on the right front leg. The quarter sized area was on the front of the leg and was raised about 1/4 inch. The skin in this area was a purplish red, with some hair on this spot. The licensee stated the dog had been in a fight and was treating a wound on the ear, but didn't notice the spot on the leg. Wounds on the dogs can cause pain and discomfort. The licensee must consult with a veterinarian about this dogs condition.

To be corrected by: March 11, 2020.

This inspection and exit interview were conducted with the licensee.
