Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:45pm on Monday, March 3, 2025. The inspector attempted to contact the licensee but was told by a family member that they were not available and were not expected to be for several hours. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
