#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:30pm on Tuesday, December 3, 2024. The inspector attempted to contact the licensee by knocking on the door, but was told the licensee was not available for several hours. There was no other facility representative available to assist the inspector with the inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
