Handling of animals.

This facility recently acquired 2 bear cubs. The facility staff has no prior experience with maintaining and caring for bears at the facility. The applicant has not taken steps to gain the experience and knowledge to maintain bears at the facility prior to applying for a USDA license that authorizes bears. Adequate knowledge and experience are needed to ensure the health and wellbeing of the bears and the safety of the staff and public. The licensee must demonstrate adequate knowledge and experience for maintaining bears at the facility before a USDA license authorizing bears can be issued.

All items must be in compliance within 2 more inspection(s) or by 17 June 2023 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.
