On Apr 1 2015 Etihad airlines a cat AWB 607-6189-3020 from Abu Dhabi to JFK airport in New York. The animals arrived and was offloaded onto a dolly and secured on a pallet with straps , personnel said there was no damage to the kennel. Somewhere during the transportation back to the cargo area the animals escaped and it appears the cage was broken.

Personnel handling a live animal must avoid causing harm or distress during transport.

An exit interview took place at the end of inspection .
