### 2.38(l)(3)

#### Miscellaneous.

Two facility employees did not receive training covering the facility's Contingency Plan within 30 days of their employment start date. One employee was hired in September of 2022, and one employee was hired in December of 2022. Neither employee received training on the Contingency Plan until May of 2023.

Without training on the Contingency Plan, personnel may not be aware of their roles and responsibilities in the event of an emergency or disaster; animals may suffer illness, injury or death due to unpreparedness. The registrant must provide and document training for its personnel regarding their roles and responsibilities as outlined in the Contingency Plan and ensure that new hires receive this training within 30 days of their start date.

CORRECTED BEFORE THE TIME OF THE INSPECTION CONDUCTED ON 16MAY2023

This inspection and exit interview were conducted with the attending veterinarian and facility representatives.
