REQUIREMENTS AND APPLICATION.

The former licensee has continued to breed and sell hedgehogs and advertise that she is USDA licensed even though her license was cancelled in September 2017. Licensee was unresponsive to multiple contact attempts via phone /voice mail, email, regular and certified mail and in person attempts from June 2017 thru January 2018. Her facebook posts and websites advertised multiple (>24) hedgehog babies for sale from September 2017 until current date. Her Utah webpage claims USDA licensure and displays the USDA logo and her expired certificate number. A valid license is necessary to comply with the Animal Welfare Act and Regulations.

The facility needs to obtain a USDA license or discontinue regulated activities (selling hedgehogs).

An application packet and information was delivered at the new address on Nov. 5th, 2018.

NO REGULATED ACTIVITIES MAY BE CONDUCTED UNTIL USDA LICENSE IS OBTAINED.
