Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The licensee's previous Attending Veterinarian retired. They do not currently have an Attending Veterinarian in place or an up-to-date Program of Veterinary Care. Not having an Attending Veterinarian doesn't ensure that adequate veterinary care is being provided to the animals. An Attending Veterinarian must be secured/hired. The Attending Veterinarian must fill out a Program a Veterinary Care.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by 1/30/24 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.

End of report.
