Type: ROUTINE INSPECTION
Date: 23-JUN-2022

2.31(c)(1)

Institutional Animal Care and Use Committee (IACUC).

The facility IACUC usually does their semi-annual review of the program of humane care and use of animals in the spring and fall of each year. It was completed on April 14, 2021 and again on May 19, 2022, but the IACUC was unable to complete a review between these dates.

A review of the facilities program of humane care and use of animals by the IACUC, at least once every six months, is critical in assuring that documented protocols and procedures, put in place to protect the health and welling of animals, are bring followed and are effective and adequate.

The IACUC, as an agent of the research facility, shall review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation.
