### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:00 am on 08-MAY-19.

I spoke to a family member by telephone who told me that there were some family issues (divorce) and the licensee was not planning to continue with the business. I asked for the where about of the licensee and if she had another address or telephone number and nothing was provided. The USDA license has not been surrender at this point.
