#### Environment enhancement to promote psychological well-being.

The facility did not have a veterinary approved, documented avian environmental enhancement plan at the time of inspection. The environmental enhancement plan ensures the psychological well being of birds at the facility. The facility must document and implement a plan for environmental enhancement that is approved by the attending veterinarian.

This is a 1st Re-License Inspection for a Class "B" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspection(s) or by 08 June 2024 (60 days counted from 1st RL Inspection) or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
