#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:55 PM on 11/18/2024. The inspector attempted to contact the licensee by phone. Upon arrival, the gate to the facility was locked.

The inspector called and left a voice message, but nobody replied within 30 minutes. The attempted flier with the inspector's business card were left at the gate at 1:25 PM.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
