A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:15 PM on 3/28/23.

The inspector arrived at 2:15 PM on 3/28/23 to conduct an inspection. The inspector contacted the Licensee by phone and learned that she was at distant off-site location and would not be available for several hours. An AWA compliance inspection could not be conducted because there was no other authorized facility representative available to accompany the inspector.

Unannounced inspections are used to evaluate compliance with the AWA Regulations and Standards. This is the FIRST attempted inspection of the Licensee.
