#### Veterinary care for dogs.

The adult dogs in the kennel have not had head to tail exams done by a veterinarian since September of 2023. Failure to have each dog examined at least once every 12 months may result in delay of treatment and diagnosis for disease, illness, or injury. Correct by ensuring that a complete physical examination from head to tail of each dog by the attending veterinarian is conducted not less than once every 12 months.

Correction date: February 24th, 2024
