#### RECORDS: DEALERS AND EXHIBITORS.

A current record of guinea pigs on hand was not available for review during this inspection. Deaths and weanlings are currently being recorded, but not the total number of adults or offspring born. Records are required to adequately verify the total number of animals housed at the facility and for evaluating the facility animal care program. Correct by ensuring there are current records of animal totals, including number of adults, weanlings, and newborns are maintained and available for review for guinea pigs housed at the facility. Correct by August 14, 2017.

This inspection and exit interview were conducted with the owner.
