Contingency planning.

The applicant has not developed and documented a plan for emergencies and disasters.

Exhibitors must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster (one which could reasonably be anticipated and expected to be detrimental to the good health and well-being of the animals in their possession). Ensure that a plan for emergencies and disasters is developed, documented and followed when necessary.

This is a 1st Re-License Inspection for a Class "C" license.

The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by May 15, 2023 or the applicant will forfeit the license fee and must wait 6 months to reapply.

Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
