---

### 2.31(d)(1)(2)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

\*\*Protocol S14-04 indicates there is the potential for pain, however, there was no written narrative indicating the methods and sources considered for alternatives to the potentially painful procedures. Consideration for alternatives to potentially painful procedures must be documented in a written narrative. The principal investigator must document in a written narrative the methods and sources considered for alternatives to potentially painful procedures that can be approved by the IACUC.

Correct by: December 12, 2014

Inspection and exit briefing conducted with the IACUC Chair.
