Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 11:45 am on Wednesday, March 5, 2025. The inspector attempted to contact the licensee by knocking on the door to the residence but was informed by a neighbor that the licensee was away for the day. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
