### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1425 on 27-Feb-19. I went to the licensee's house. I knocked on the door. No one answered. I honked my car horn and then called the licensee. I left a message and then waited 30 minutes. No one came home and I received no phone call back during that time. About a half hour after I left the licensee called me back and informed me he wasn't currently available to do an inspection. He gave me his optimal hours and I told him someone would be back to do the inspection on another day.

End of report.
