2.40(a)(1)

Attending veterinarian and adequate veterinary care (dealers and exhibitors).

There is not currently an attending veterinarian overseeing the provision of adequate veterinary care. Visits are scheduled monthly, but an attending veterinarian has not conducted a site visit since February 2022 and, according to the licensee, is no longer available for or responsive to communications about animals at the facility. Veterinary care is being provided for individual problems of animal health or wellbeing, but there isn't an attending veterinarian ensuring the provision of adequate veterinary care or overseeing the adequacy of other aspects of animal care and use. An attending veterinarian who provides adequate veterinary care according to this section of the AWA must be employed under formal arrangements.

To be corrected by May 12th, 2023.

2.134(a)

Contingency planning.

This facility did not have a contingency plan in place at the time of inspection. Exhibitors must develop, document, and follow an appropriate plan to provide for the welfare of their animals in the event of an an emergency or disaster, review the plan annually, and ensure personnel are trained regarding their roles and responsibilities as outlined in the plan.
