Certificate: **74-R-0188**  
Site: 003  
I S G Inc.

Type: ROUTINE INSPECTION  
Date: 15-DEC-2014

### 2.31(c)(3)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The last report of the facility semi-annual program review and inspection was submitted to the Institutional Official (IO) in February 2014. No report has been created or submitted for the inspection and program review that occurred in August 2014. Reports of the IACUC semi annual evaluations must be prepared and submitted to the IO every six months. These reports must be signed and reviewed by a majority of the IACUC members.

Timely submission of the evaluation reports is necessary to ensure adequate communication is maintained with the IO regarding facility adherence to the regulations and standards under the Animal Welfare Act.

Correct by: Immediate.

### 2.31(c)(7)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

A change in personnel occurred under approved and active protocol #2011 approximately one year ago. The personnel change involved an individual responsible for pre and intra operative monitoring and administration of drugs used for anesthesia and relief of pain/distress. No modification to the protocol has been submitted documenting this significant change. Although this type of modification can be handled administratively, it must be documented and sufficiently reviewed to ensure personnel are appropriately identified, adequately trained and qualified and that any other criteria required by the IACUC is met.

Significant changes to the care and use of animals must be identified, documented and reviewed prior to implementation.

Correct by: Immediate.

The inspection and exit interview were conducted with the Institutional Official.

Prepared By: MARY MOORE, D V M USDA, APHIS, Animal Care
