Contingency planning.

A contingency plan has not yet been developed at this facility. Dealers, exhibitors, intermediate handlers, and carriers must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster (one which could reasonably be anticipated and expected to be detrimental to the good health and well-being of the animals in their possession). A plan must be developed documented and followed and employees trained on the plan. CORRECT BY : 3-22-2022

This inspection and exit interview were conducted with the facility manager.
