### 2.1(a)(1)

#### REQUIREMENTS AND APPLICATION.

This is a search inspection.

\*Facility is currently exhibiting regulated animals at the Putnam County Fair at the Fairgrounds in Cookeville, TN without a valid USDA Animal Welfare Act license. The facility is exhibiting the following animals in a petting zoo: 1 dromedary camel, 1 kangaroo, 9 goats, 4 sheep, 1 llama, 1 cavy, 1 zebu, 3 cattle and 7 pigs. The facility is selling animal feed on site so the public can purchase food to feed the animals. Inspector talked to owner via phone call.

\*A valid license is necessary to protect the health and well-being of the animals and to comply with the Animal Welfare Act and Regulations.

\*The facility needs to obtain a USDA license if continuing to exhibit exotic/wild animal species. No USDA license is necessary if facility decides to continue exhibiting only domestic farm animal species.

No regulated activities (exhibition of exotic/wild species) may be conducted until USDA license is obtained.

This inspection and exit interview were conducted with facility representative.
