Site: 001  
ONCE IN A WILD

Type: ROUTINE INSPECTION  
Date: 19-JUL-2023

---

### 2.134(a)

#### Contingency planning.

The facility has discussed emergency planning but at time of the inspection has not yet documented the plan . Documentation of the plan is important to ensure that employees have needed information in case of an emergency that would be detrimental to the well being of the animals . The plan must be documented , reviewed annually and all employees trained on the plan within 30 days of employment.  
CORRECT BY : 8/19/2023

This inspection and exit interview were conducted with facility employees..
