A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:45 am on 07September2023. The inspector honked the vehicle's horn multiple times over several minutes. The inspector was unable to exit the vehicle due to a loose pit bull dog circling and barking at the inspector's car. The inspector then called the registrant, who answered the phone. The registrant stated that they were not in NC at this time. The inspector departed the premises at 12:00 pm.
